Avionics Embraer Prodigy Flight Deck 300

Prodigy™ Flight Deck 300 was exclusively developed for the Phenom 300's needs and takes advantage of Embraer's extensive experience developing cockpits for commercial and defense jets. Human factors, enhanced situational awareness, a glass cockpit with large displays, state-of-the-art avionics and single-pilot operation are the design drivers behind every detail of this flight deck. Pilots will experience one of the most advanced avionics suites in the market.

Prodigy Flight Deck 300 Includes:

- Three widescreen 12.4" interchangeable displays
- Soft keys minimize navigation time on menus
- No overhead panel, reduced number of switches
- Reduced checklists w/smart systems automatism
- Eng Indication and Crew Alerting System (EICAS)
- Electronic checklist and system synoptics
- Weather radar with vertical scan capability
